

FLEMMING CONSULTING GROUP, LLC

IT Project and Program Management for Federal, State, and Local Government

flemmingconsultinggroup.com · Humble, Texas · (516) 668-2267 · dawayne@flemmingconsultinggroup.com

CORE COMPETENCIES

- **IT project and program management** — full lifecycle planning, execution, and closeout for application and infrastructure programs in Agile/Scrum, waterfall, and hybrid delivery models.
- **Infrastructure and application migration** — data center, cloud, and platform migrations including wave planning, dependency mapping, and dress rehearsals.
- **Release and cutover management** — runbook development, go/no-go criteria, cutover execution, hypercare, and rollback planning.
- **Business analysis and requirements** — elicitation, requirements traceability, process mapping, and process improvement.
- **PMO stand-up and governance** — status and portfolio reporting, resource and dependency tracking, risk and issue management, stakeholder communication.
- **Quality assurance and configuration management** — test planning and coordination, defect triage, release and change control.
- **Technical documentation and technology advisory** — system and process documentation, assessments, and roadmaps.
- **Application development and maintenance support** — custom and mobile application development and enhancement.

DIFFERENTIATORS

- The principal holds eight years of enterprise IT project management experience delivering programs for global financial services and aerospace and defense clients through a major systems integrator, and has independently designed and shipped two consumer mobile applications.
- Direct owner engagement. The person scoping the work performs the work — no layered management, no subcontracted delivery, no account handoff.
- Sized for micro-purchase and simplified acquisition: fast award, minimal administrative burden, and no minimum engagement size.
- Government purchase cards accepted, with electronic invoicing and ACH remittance.
- Houston and Gulf Coast presence with nationwide remote delivery.
